

**WAR RESERVE MATERIEL (WRM) UPDATES**  
**As of 11 Mar 1999**

**1. DRAFT RFP UPDATES:**

a. The 16 Sep 98 draft RFP, as posted on the WRM Homepage, reflects a fixed-price, with some cost components, document. This draft RFP is currently being revised, by Sections, to migrate to a cost plus award fee document. Revised Sections B, C (Performance Work Statement), L, and M can be accessed via their respective hyperlinks.

b. Section B: Award Term Years 5 and 6 have been changed to read Option Years 5 and 6. All references to Award Term will be replaced with Option Years.

c. Draft DD Form 254 - Department of Defense Contract Security Classification Specification

**2. DRAFT PERFORMANCE WORK STATEMENT UPDATES:**

a. Draft Appendix 3 - Contractor Provided Services

b. Section E Draft Appendix 1 - Asset Listings for All Sites (a Microsoft Excel document). The initial posting on 22 Feb 99 did not include a listing for all sites.

c. Draft FMSE Asset Listing (a Microsoft Excel document) Note: this page is a replacement for the Enclosure 7 in the original Appendix 1

3. A site visit preplanning notification has been posted. Request interested read and comply with instructions.

4. A response to industry questions, submitted via e-mail or fax, should be posted on the WRM Homepage before 16 Mar 99. **Note:** Some questions may have already been answered via posted revisions to RFP Sections B, C (Performance Work Statement), L, and M. If applicable, the response will state that.

**5. REMINDERS:**

a. Contractors must register with the Central Contractor Registration.

b. Interested parties are requested to register on the WRM Bidder's Mailing List.

**Note:** This competitive acquisition does not apply to a proposed contract with a foreign firm.

c. Interested parties, who register for web page updates, should receive an electronic notification that changes have been made to the WRM Homepage.

d. **Draft documents posted on the WRM Homepage are subject to change.**
